Social Story for George Floyd
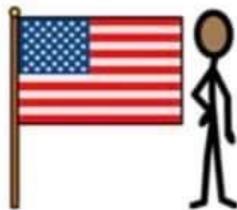

People are angry and sad

in our cities and our country.

1

George Floyd was killed by a police officer.

Mr. Floyd was African American, the officer was white.

2

People   are protesting   because

Mr Floyd should not have been killed by police.

All   police should protect   all people.
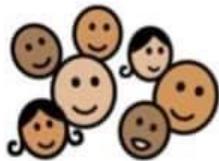

This officer   did not   protect   George Floyd.

3

For many years,

some police officers have hurt African Americans.

People   need   to be safe.

4

People need to be treated fairly.

People are protesting

to make things better.

They need African Americans

to feel safe and be treated fairly.

6

Credit for this social story should be given to https://www.spps.org/ecfe teachers however reworked the third page a bit.
